Introduction

The market size of the global tourism sector increased by roughly 20 percent in 2021 over the previous year, after dropping sharply in 2020 due to the coronavirus (COVID-19) pandemic. In 2021, the market size of tourism worldwide was estimated at approximately 1.31 trillion U.S. dollars. As forecast, this figure is expected to rise to 1.67 trillion U.S. dollars in 2022.

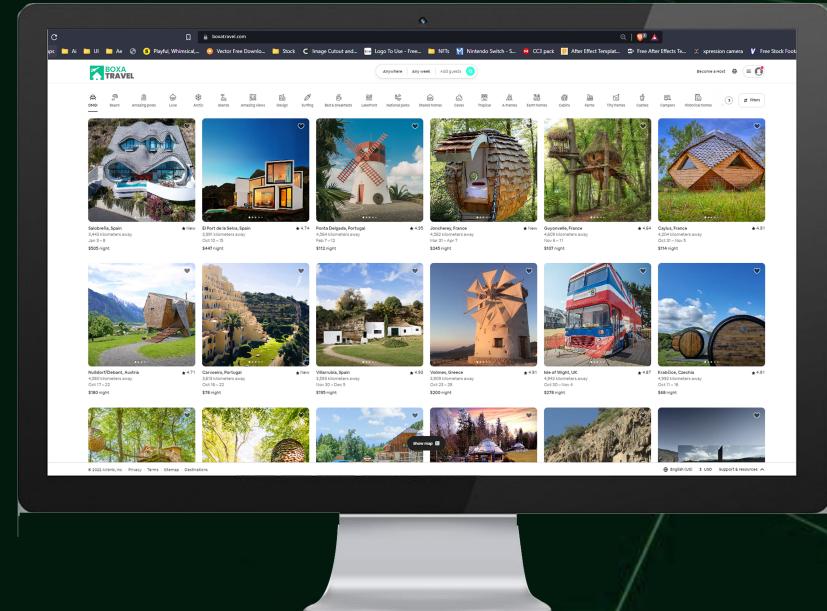

BOXA TRAVEL

What is BOXA Travel?

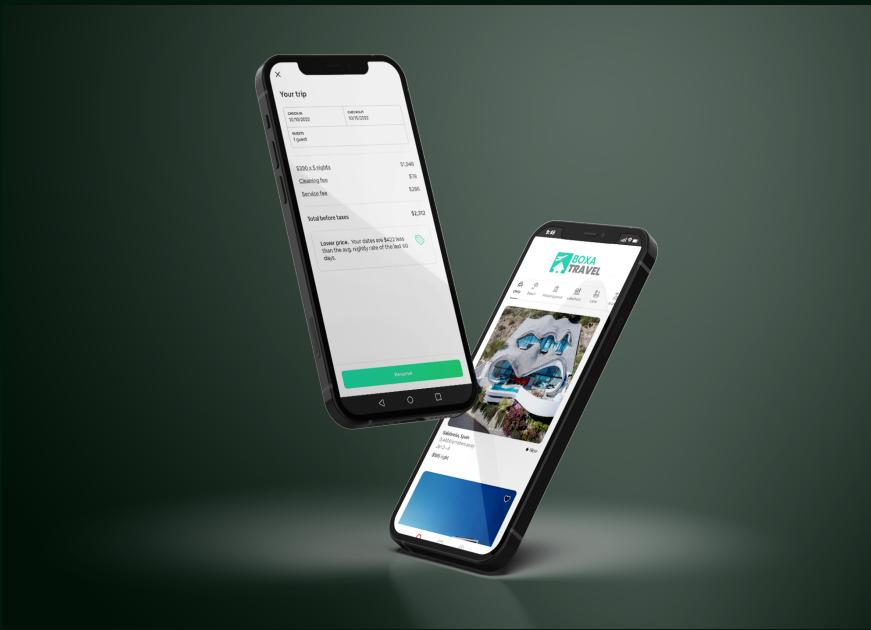

BOXA Travel is an online traveling platform that allows property and hotel owners rent out their spaces to travelers looking for a place to stay. Travelers can rent a space for multiple people to share, a shared space with private rooms, or the entire property for themselves. Making it easier for travellers to search, book and stay at their favorite location while earning incentives every time they use the BOXA Travel platform.

BOXA TRAVEL PLATFORM

The Platform

BOXA Travel combines crypto and blockchain technology with the real estate and travel sector. With its next-generation booking platform, users can search for and book properties, flights and car rental within the platform. To make the process seamless, the platform will accept payments in both FIAT and selected Cryptocurrencies.

Our Mission.....

To create a seamless and stress-free experience for travelers and hosts in the travel industry. Making all processes simple, transparent, traceable and fast through the power of Blockchain technology.
